Istiaq Alam

Cyber Security Enthusiast & Graphics Designer

⌖ Dhaka, Bangladesh • ☎ +8801765376101 • @ istiaqlm@gmail.com •
⬦ Portfolio • ⌨ Istiaq Alam • ⓕ Istiaq Alam Tusher

Summary

Computer Science & Engineering student with a deep interest in **Cyber Security and Ethical Hacking**. Discovering system vulnerabilities, understanding digital threats, and crafting defenses that make the web a safer place. Currently engaged in hands-on learning through CTFs, simulation environments, and open-source security projects.

Build secure and user-friendly websites that are functional and visually striking. Approach integrates clean coding practices with a strong focus on digital safety. Aim to make every site not only eye-catching but also aligned with cybersecurity best practices.

Experience

Notre Dame University Bangladesh Computer Club
January 2023 - Present
Dhaka, Bangladesh

Graphics & Web Designer

🔗 https://ndubcc.pages.dev

- Since 2023, I have been working as a **Graphics & Web Designer** at the Notre Dame University Bangladesh Computer Club, design digital visuals for events, social media, and official branding.
- I also bring two years of hands-on experience in **Web designing**, specializing in creating responsive and user-friendly interfaces using HTML and CSS.
